Pet Nutrition

Queen City Greyhounds,

Have questions about your pet's diet?

From the pet food scare to the internet, there is so much information out there. What can you believe?

Along with convenience, Pawsh Pup believes in providing our customers with the latest nutritional knowledge. Let us point you in the right direction when choosing your pet's food. We welcome Christina Colegate to our meeting to help answer any pet related questions you might have. A sales consultant with Wholesome Pet, Christina is very knowledgeable and passionate about pet nutrition.

If you have friends or neighbors who have questions or desire to learn more about dog or cat nutrition please ask them to join you. Drinks and snacks will be provided, and I'm sure the Bengals game will be on. Pawsh Pup wants you to join us for pets-sake on Sunday November 8, 2009 at 1:00 PM.

Sincerely,
Zach and Megan
